Description

Pair of luminous interior views of William Hammershøi's school William Henriksen was one of most talented Hammershøi's followers, having captured in his paintings the serene atmosphere that seems to absorb the vibrations of light. In our two paintings, the ray of sunlight casts the shadow of the window onto the curtain and the walls. A slight difference in size: The painting with the gray wall: 32 x 24 cm, framed 42 x 36 cm. The painting with the old rose wall: 34 x 25 cm, framed 48 x 39.5 cm
