Description

Paul Juette - Family Scene in a Garden - Oil on canvas, 19th century
A charming 19th-century oil on canvas depicting an elegant woman seated in a garden, with two children playing at her feet. The delicate and intimate composition is brought to life by beautiful light and a soft color palette. The figures stand out against a lush green landscape rendered with finesse. The work is signed "P. Juette" in the lower right corner. The painting is set in a large antique frame made of wood and gilded stucco, richly decorated with floral friezes. An earlier restoration of the painting is visible on the reverse. The frame has a few missing pieces and signs of wear, visible in the photographs. Dimensions without frame: 22 × 16 cm
Dimensions with frame: 45 × 40 cm
