Description

Antique wooden oratory with a carved figure of Christ - 18th century An imposing antique oratory made of molded natural wood, opening at the bottom with two paneled doors and topped by a slanted flap. The upper section, architecturally designed and crowned with a curved pediment, features a beautiful wooden sculpture of Christ on the cross, set against a backdrop of antique fabric with a floral pattern. The figure of Christ is an integral part of the oratory. Beautiful antique patina. The piece shows signs of age, wear, cracks, small missing sections, and previous restorations. A missing section is particularly visible on one of Christ's hands. Provincial work, likely from the 18th century. Dimensions: height 192 cm × width 80 cm. The two candle holders visible in the photographs are not included in the
