Description

Louis XIII-style walnut coffee table - 17th century
A beautiful 17th-century walnut coffee table in the Louis XIII style, featuring particularly pleasing proportions. It features an oval tabletop made of wide walnut planks, displaying a beautiful, warm, and deep patina. The numerous old marks and irregularities attest to its age and fully contribute to the charm of this piece. The base consists of four elegant turned legs, characteristic of Louis XIII furniture. They are joined at the bottom by a set of crossbars, including a central turned crossbar, giving the piece an overall structure that is both balanced and decorative. One will particularly appreciate the simplicity of its construction, the finesse of the turning, and above all the beautiful antique patina of the walnut, preserved over the
