Description

Painting by Johann Zahnd (1854-1934) depicting a landscape, 1879 Oil on canvas, 140 x 100 cm Signed on the left "J. Zahnd 79" The painting depicts a luminous natural landscape: a charming village in the background, at the foot of a cliff with the ruins of an ancient tower, and a path in the foreground. The figures are gathered around a fountain; some are watering their horses, while others are collecting water. The painting is clean and refined, with attention to detail: Zahnd used to paint from life and specialized in views of the Roman countryside, where he employed a scenic composition and bright colors.
