Piedmontese Walnut Cabinet - 17th Century

1 100 EUR

Period : 17th century

Condition : Très bon état

Material : Walnut

Description

A two-door Piedmontese cabinet, crafted from walnut in the 17th century. The structure is solid and features an elegant facade marked by panels carved with geometric motifs and shaped cutouts, typical of 17th-century Piedmontese craftsmanship. The harmonious proportions and the warm patina of the walnut enhance its charm and authenticity. The lock and key are original, and the cabinet is in excellent overall condition, with normal signs of age fully consistent with its era. A piece of furniture with great character, ideal for both a historic setting and a contemporary context, where it can serve as a prominent focal point. Dimensions Height: 200 cm Total width: approximately 153 cm Width of each door: 60 cm - CONTACT -FOR ANY ADDITIONAL INFORMATION, PLEASE DO
