Antique Hunting/fishing Seat Stick - Late 19th Century

170 EUR

Period : 19th century

Condition : Bon état

Height : 63 cm

Description

An elegant antique folding seat-stick, likely dating from the late 19th century, crafted from wood and iron. It features a beautiful wooden seat--probably walnut--that has been carefully shaped and displays a lovely patina from use. The wrought-iron mechanism is particularly noteworthy for its construction and fine, aged patina; it remains fully functional, and the seat is ready for use. The piece is sturdy and reflects high-quality craftsmanship. It was likely intended for hunting, fishing, or other outdoor activities. A handsome antique--both functional and decorative--that would appeal greatly to collectors of vintage hunting gear, walking sticks, or country-style objects. Period: late 19th to early 20th century.Length (closed): 63 cmCondition: good overall condition, beautiful aged patina,
