

## 19th-century Opaline

650 EUR

Period : 19th century

Condition : Bon état

Material : Opale

Diameter : soucoupe 17cm

Height : hauteur totale 17,5cm

### Description

We are presenting this very pretty pear-shaped opaline vase in two parts: white in color with a blue base, matching the lid's handle. In good condition; however, please note a slight flaw on one leaf, though it is located beneath the base. See photoShipping not included--delivery via Colissimo with tracking number.
