Description

We present this very beautiful 18th-century dish, decorated with a multi-lobed quiver motif, in perfect condition. On the base, there are two labels: one very old (we believe from the 19th century) and the other from the 20th century, which reads "Rouen, quiver design, 18th century, No. 99." This is likely an auction lot number, and the price was 6,000 francs (equivalent to about 950 euros at the time). Shipping not included
