6 800 EUR

Period : 20th century

Condition : Bon état

Material : Gilted wood

Width : 49

Height : 196

Description

An impressive pair of matching candlesticks with a striking decorative presence.Each torchholder features a male figure with a silver patina and gold accents, blowing into a long twisted horn and standing atop a striking group of three stylized dolphins with intertwined tails.The set rests on a substantial, richly decorated base and is crowned by a cluster of golden metal lights, adorned with numerous glass pendants.The quality of the decoration, the monumental proportions, and above all the fact that it comes as a pair make this a particularly decorative set, ideal for a large entryway, a foyer, a staircase, or a home with character.Decorative piece in the Venetian Baroque style.Antique patina with signs of wear and minor imperfections that contribute to the piece's character.Total height: 196
