

19th-century Porcelain Sugar Bowl

Description

A charming pale blue Paris porcelain sugar bowl decorated with two medallions depicting "ruins" in landscapes, framed by gold trim. Lid with an olive-shaped handle. No chips or cracks. This sugar bowl is presented on a saucer, a remnant of this set, which is also in excellent condition. A very decorative set. Total height: 15 cm. Total width: 12 cm. First half of the 19th century. Export: Customs duties are your responsibility.

160 EUR
