

Renaissance-style Carved Oak Bas-relief Panel

550 EUR

Period : 19th century

Condition : Très bon état

Material : Oak

Description

A 19th-century Renaissance-style carved oak bas-relief depicting a biblical, mythological, or allegorical scene? Featuring two figures within a foliate-filled frame, which is surrounded by putti supporting a garland of foliage, flowers, and fruit, with a grotesque figure at the top. Beautifully carved. Very good condition. Dimensions: 36.5 x 32.
