Description

A lovely pair of Paris porcelain plates with floral designs, in very good overall condition, with some wear to the gold trim. Dating from the late 18th century, these two plates are stamped with the crowned "A" of the Queen's Manufactory on Rue de Thiroux. We can also see a glued-on label indicating the address of a dealer on Boulevard Saint-Germain dating from the 1970s. Please feel free to contact me for more information.
