Description

Tank-style ring in 750/° yellow gold (18 KT, eagle-head hallmark), adorned with calibrated sapphires and brilliant-cut diamonds set in white gold. With its exquisite design, this ring features a particularly graphic asymmetrical composition, built around three tiered lines that fan out across the finger. Two rows of deep-blue calibrated sapphires frame a central row of brilliant-cut diamonds, whose setting in white gold enhances their brilliance and elegantly contrasts with the rich color of the sapphires and the warmth of the yellow gold. The design, with its curves and stepped sections, creates a genuine wave-like movement, characteristic of the geometric and volumetric aesthetic of Tank jewelry. The different levels of the setting further accentuate this three-dimensional effect and give the ring a

striking presence from every angle. Its beautiful, enveloping volume--perfectly visible when worn--generously adorns the finger while maintaining a dynamic and balanced composition. Despite its generous proportions, its particularly ergonomic design ensures excellent comfort and allows it to naturally conform to the hand. The interplay of polished yellow gold, white gold, calibrated sapphires, and diamonds lends this ring a great deal of character and highlights the striking power of its design. A spectacular, highly structured ring with a distinct Tank style, whose volume, movement, and interplay of contrasts give it a particularly elegant presence on the hand. Total weight of sapphires: 3.04 carats Total weight of diamonds: 0.45 carat Total gross weight: 14.20 g Ring size: 54 - Any modifications can be assessed by our workshop (current diameter 1.72 cm / US size 7) Condition: very good condition, imperceptible micro-scratches, natural inclusions characteristic of sapphires and diamonds that are not visible to the naked eye.
