Description

Carved and gilded wooden mirror. Venice, second half of the 18th century. 118 x 89 cm. Carved and gilded wood mirror with rectangular structure and pierced carved friezes on the sides and base, animated by foliate scrolls in the rocaille taste. The crest is centred on an oval medallion with mirror plate flanked by floral sprays, an element marking the transition towards the Louis XVI taste. Antique mirror plate, probably not original. All shipments within the EU are free and professionally packaged. This item is sold with a legally valid certificate of authenticity. Further details regarding the condition report are available upon request.
