Description

legant 18-karat white gold earrings featuring two luminous white Australian pearls, accented with small brilliant-cut diamonds. Each pearl measures approximately 10 mm in diameter, an excellent size that offers a beautiful presence while remaining comfortable and light enough for everyday wear. The pearls are perfectly round, with a high, luminous lustre and a clean, smooth surface free from visible blemishes. Their natural beauty is enhanced by the delicate sparkle of the small brilliant-cut diamonds, adding refinement and brightness to the design. The total length of each earring is 27 mm. A timeless and versatile jewel, elegant enough to be worn for a special evening occasion yet discreet and sophisticated for daytime wear.
