

Set Of 9 Service Pieces In Creil And Montereau Faience Model Carnation Art Deco 1930

220 EUR

Period : 20th century

Condition : Très bon état

Material : Earthenware

Description

Set of form and service parts In fine earthenware from the manufacture Of Creil and Montereau, eyelet model. This model has an elegant stylized floral decor, with graphic lines characteristic of Art Deco aesthetics. The polychrome decor combines shades of ochre, saffron yellow and bright orange. Each piece bears its manufacture stamp under the base. Composition: 1 salad bowl (diam 28.5 cm, ht 11.5 cm). 1 vegetable (diam 25 cm, ht 15 cm). 3 oval ravies (25.5 cm). 1 oval serving dish (35 cm). 2 round dishes (diam 30.5 and 28 cm). 1 sauce bowl. Very good general condition. The pieces have a still shiny enamel and well-preserved colors. The saucer has an old restoration (re-gluing of the handle, with a slight lack). The rest of the whole is in very good condition, Without structural crack or major
