

Large White Marble Apothecary Mortar - 19th Century

550 EUR

Period : 19th century

Condition : Bon état

Material : Marble

Width : 37

Diameter : 30

Height : 21

Description

Large apothecary mortar made of veined white marble, circular in shape with four handles. Beautifully crafted and generously proportioned. Probably from the 19th century. Some signs of wear and small marks consistent with its age.
