

18th-century Dagger

950 EUR

Period : 18th century

Condition : Très bon état

Material : Other

Length : 20.5 cm

Description

A very beautiful 18th-century dagger with an openwork steel scabbard bearing the initials "P" on one side and "E" on the other. The handle is finely decorated with mother-of-pearl and chiseled cherubs. The blade measures 9.5 cm. A truly beautiful and refined piece for knife collectors.
