Diameter : 35

Height : 70

Description

A beautiful baluster-shaped stoneware vase with a generous and elegant silhouette. It features a lovely glazed finish in shades of beige, honey, and ochre, accented with brown and orange drips running from the neck down to the body. The neck is accentuated by a thick ridge, adding character to the overall design. The firing and variations in the glaze create lovely nuances and irregularities, reflecting the piece's artisanal craftsmanship. Bears a mark to be identified.
