

Notre Dame De Paris - Miniature Mounted Under Glass, Dating From The Napoleon III Era

180 EUR

Period : 19th century

Condition : Très bon état

Material : Glass

Description

Rare miniature mounted under glass, depicting Notre Dame Cathedral in Paris, in a pressed-wood frame with a gilded brass mount. Viollet-le-Duc's spire is clearly visible, which allows us to date this miniature to after 1859. Second Empire, Napoleon III era. A beautiful, original historical keepsake in excellent condition. Diameter: 6 cm Frame dimensions: 11 x 11 cm
