

Cast-iron Street Lamps

6 500 EUR

Period : 19th century

Condition : Restauré

Material : Cast iron

Description

The Antique Mirrors Workshop offers the following for sale: Cast-iron street candelabras. Consists of several parts: The shaft (one part buried in the ground and the other visible), an access hatch for connections, and the foundry mark; they are also numbered. The mast, adorned with vine foliage. Two carved volutes (60 cm long each) on which two square lanterns measuring 38x38 cm are mounted. Total height: 4.50 m. Width: 1.30 m. Weight: between 400 and 500 kg. We are showing you two examples that have been set in place and secured. 10 others are available, disassembled and stored on pallets in a covered area. They have been thoroughly cleaned, sanded, and repainted with two coats of rust-proof paint (hammered black finish). Sold only in pairs for 6,500 euros
