

Louis-philippe-era Stool

300 EUR

Period : 19th century

Condition : Bon état

Material : Walnut

Description

A charming Louis-Philippe-era high stool. A Louis-Philippe-era stool in molded and carved walnut. The square seat rests on beaded legs that taper to a spindle-shaped tip. Upholstered in beige fabric with period trimmings. Woodwork is in good condition, with no wobble. This stool was most likely crafted in the south of France.
