Description

A very pretty bar-height bistro table called a "mange-debout" for enjoying coffee, tea, breakfast, etc. The circular tabletop is made of solid oak and features a charming "bec de corbin" molding around the edge. Our table rests on a fluted, ring-banded central column, topped by a beautifully crafted cast-iron tripod base. The tabletop has a few light scratches from use, which lend it charm and authenticity (see photo). This bistro table can also be used as a pedestal table, plant stand, side table, etc. Beautiful mid-20th-century craftsmanship. Dimensions: height 115 cm diameter 60 cm.
