Description

A captivating antique oil painting on canvas depicting the Sorrowful Virgin, or Mater Dolorosa, dating from the 18th century. The work is inspired by the famous iconographic model of the "Madonna del Dito" created by the Baroque master Carlo Dolci. It is characterized by the Virgin's gently downcast gaze and the intense chiaroscuro contrast that enhances her vibrant spirituality. The painting is in good condition for its age; it is on a single layer of canvas and retains its original movable wooden stretcher. The back of the canvas and the stretcher bear fascinating historical inscriptions that enrich its history and provenance. The work comes complete with its period wooden frame. Canvas dimensions: 29.5 x 23.5 cm I'm also on Instagram
