

## Zoomorphic Mangle Board, 19th Century

390 EUR

Period : 19th century

Condition : Bon état

Material : Painted wood

Length : 59 cm

Width : 13 cm

### Description

Painted and carved wooden mangle board. Horse-shaped handle. These "ancestors" of the iron were particularly common in the Scandinavian countries. In the center are painted (barely visible) the date 1843 and the owner's initials. There are signs of old woodworm damage, and one corner is slightly chipped, as shown in the photo
