

Antique Armchair From The Late Empire / Early Restoration Period

450 EUR

Period : 19th century

Condition : Etat d'usage

Material : Mahogany

Description

Beautiful Empire/Restoration-era armchair in mahogany and veneer, molded and carved. The straight, flat back is beautifully fluted. Its scroll-shaped armrests are supported by a rectangular base carved with palmette motifs. The apron rests on Etruscan-style front legs and saber-shaped rear legs. The armchair is upholstered in a golden-yellow fabric with a diamond pattern. Spring-supported upholstery. The frame is in good condition. A few minor imperfections and missing pieces.
