Description

Pair of Poltrona Frau armchairs in red leather - 1970s An elegant and comfortable pair of lounge armchairs manufactured by Poltrona Frau, made in Italy in the second half of the 20th century, dating to the 1970s. The armchairs feature a substantial, enveloping frame, fully upholstered in red natural leather, with wide padded armrests, a high, slightly reclined backrest, and a comfortable padded seat. Particularly noteworthy are the generous proportions and construction, typical of Poltrona Frau's production from that era, featuring a wooden frame and a dark wood base. On the back is the original Poltrona Frau - Registered Trademark label, which confirms their origin from the historic Italian manufacturer. The leather retains a beautiful bright red hue and shows normal signs of age and use, as visible in
