Description

An elegant Victorian-style piece, inspired by 19th-century jewelry and crafted from a combination of 12-karat gold and 925 sterling silver. Set at the center is a striking Old European Cut diamond weighing approximately 1.30 carats, characterized by the typical proportions and warm brilliance characteristic of antique cuts. The center stone is framed and flanked by Single Cut diamonds, with a total weight of approximately 1.00 carats, creating a luminous and highly decorative composition. The geometric structure and the contrast between silver and gold clearly evoke the aesthetic style of Victorian jewelry. Estimated total weight of diamonds: approximately 2.30 carats. A refined Victorian-style reproduction, featuring antique-cut diamonds and a richly crafted
