Description

Welcome to my shop. A beautiful vintage cocktail ring crafted in 14-karat gold and hallmarked "14K." Its large circular setting features an elegant openwork design set with eight oval opal cabochons. The opals offer subtle plays of color, with shades of green, blue, and reddish tones. Seventeen small faceted rubies are arranged around and between the opals, with a slightly larger central stone. The rosette-shaped design and the contrast between the milky white of the opals, the deep red of the rubies, and the warm color of the gold give this ring a rich and particularly decorative appearance. It was likely crafted in the mid-20th century. The ring is in good vintage condition, with slight, normal signs of age and wear. Material: 14-karat gold, opals, and rubies. Hallmark: 14K. Weight: approximately 6
