

Early 19th-century Dagoty Plate With Bird Design, "restored"

450 EUR

Signature : Dagoty

Period : 19th century

Condition : Restauré

Material : Porcelain

Diameter : 23,5cm

Description

A very pretty plate with a bird motif on a blue background and Empire-period gilding. There is one small chip along the rim and likely an old restoration indicated by a yellow spot along the rim at the 8 o'clock position on the plate. It remains a very attractive decorative piece, with this restoration barely noticeable. The back is marked "P.L. Dagoty" in Paris, now located at 29 Rue Grange Batellière.
