Description

China, mid-20th century, a lovely bronze with a brown patina depicting a horse. This animal sculpture depicts a Chinese-inspired horse. In all its splendor, the stationary horse tilts its head as if bowing. The sculpture emphasizes the simplicity of the bronze work, allowing the animal to take center stage. Only the quality of the ornamentation and the richness of its saddle are signs of its refinement and distinction. Dimensions: Length 22 x Height 15.5 x Depth 6.5 (cm). In good condition, aside from slight wear that does not affect its appearance. The scale reference in the last photograph is a small model of a lighter from a well-known brand. We take special care with our packaging by using optimal protective materials. Shipping includes insurance. Shipping rates: Metropolitan France: 22 euros; European
