

Around 1860. Porcelaine De Paris. Hand-painted Dessert Plates

240 EUR

Period : 19th century

Condition : Parfait état

Material : Porcelain

Diameter : 23cm

Description

Here is a set of five Paris porcelain dessert plates (unless I am mistaken) with a particularly elaborate design. The body is a deep blue imitating Sèvres blue, edged with an elegant gold-and-white lattice pattern. The bouquets painted in the center are all different. On the back of some, there is a small painted number, and on one, what appears to be a dry stamp that is difficult to decipher. They are in perfect condition.
