Napoleon III-style Wooden Table Clock With Marquetry

250 EUR

Period : 20th century

Condition : Bon état

Material : Wood marquetry

Width : 31cm au socle

Height : 46cm + 5cm

Depth : 21cm au socle

Description

Napoleon III 4-column table clock In fair condition with few or no missing parts. Paint.... I don't think I saw any missing parts all around it. Wood / marquetry / brass / bronze, brass, and metal movement. The key is there; the ratchet winds up. Both... and the balance wheel makes its sound--it works.....
