Description

A beautiful, uniform set of three large apothecary jars (known as "potences") on a blown-glass pedestal. Each jar is topped with its original lid featuring a faceted pyramidal knob. Perfect for a cabinet of curiosities, an antique apothecary display, or an elegant interior. Late 19th century (circa 1880-1900). Molded/blown glass (featuring original bubbles, strands, and firing irregularities that attest to their artisanal craftsmanship). Dimensions: Height: 36 cm | Diameter: 15 cm. Please note: The third jar has a clean chip on the inner rim of its lid, visible in the detailed photo. This chip is not visible when the lid is in place. Worldwide shipping
