Description

Large Art Nouveau mushroom-shaped lamp made of acid-etched glass by J. Remy of the Legras & Cie glassworks, 65 cm (excluding the base) In the first photo, you can see it turned on and off A splendid and imposing Art Nouveau-era table lamp made of multi-layered acid-etched glass, signed "J. Remy"--the signature of a commercial workshop affiliated with the renowned Legras & Cie It features a highly detailed panoramic scene of a mountainous and lakeshore landscape, brought to life with houses, trees, and boats. The gradient colors of amber, pink, and brown create a particularly warm and luminous effect when the lamp is lit. Fully functional electrical system with a vintage twisted fabric cord and an olive-colored switch. In excellent condition with no cracks or chips. Total height: 65 cm Shade diameter: 34
