Description

An elegant Jaeger-LeCoultre Futurematic from the 1960s in 18-karat rose gold, reference E601. This model is equipped with the Caliber 497, an automatic "bumper" movement featuring a power reserve indicator at 9 o'clock, a small seconds sub-dial at 3 o'clock, and a stop-seconds function. The winding crown is located on the back of the case. The watch features an original silver dial with applied Arabic numerals and dauphine hands. The three-piece case with a screw-down caseback measures 37 mm by 44 mm (including lugs) and is 7 mm thick (including the crystal). The movement and case are signed and numbered. The watch is in perfect condition and working order, having been serviced in our workshop. Comes with a 2-year warranty.
