Description

Oil on canvas depicting barges moored on the Seine, set against a backdrop that is both wooded and urban. The artist presents an expressive painting, characterized by bold outlines and a highly modern approach in the choice of colors and the use of flat areas of color. The dynamic and streamlined composition reflects a resolutely contemporary take on the river landscape. Signed "G. Delaire" (French artist) in the lower left corner. A second painting on the same theme is also available in our gallery, offering the opportunity to create a pair. Dimensions: 81 cm × 65 cm × 3 cm.
