260 EUR

Period : 19th century

Condition : Très bon état

Material : Bronze

Length : 9,5 cms pour la terrasse.

Width : 4,5 cms pour la terrasse.

Height : 13 cms

Description

Bronze statuette with a green patina, a reproduction of a bronze from Pompeii, depicting a young, laughing faun holding a full wineskin--probably containing wine--under his left arm. The boy's posture suggests that the young faun is drunk and is about to serve the guests at a feast. Beautifully rendered anatomy, particularly of the legs and back. 19th century, Italy.
