Description

A 1960s sideboard characterized by a functional design typical of the period. Crafted from teak-veneered wood, it features a refined combination of storage space that includes a hinged door, double sliding doors, and open drawers. The use of teak--a wood known for its durability and beauty--gives the piece a warm, natural look, making it suitable for a variety of home settings. Its excellent condition attests to the quality of the craftsmanship and the care taken in its upkeep, ensuring a piece that retains its original charm.MOMOMO0323947
