

Antique Gilded Metal Jewelry Box With A Miniature - Louis XVI Style

250 EUR

Period : 20th century

Condition : Très bon état

Material : Brass

Description

An elegant antique jewelry box made of gilded metal, with a flowing shape, richly decorated with scrollwork, flowers, foliage, and Louis XVI-inspired motifs. The lid is adorned in the center with a delicate miniature depicting a young woman, surrounded by a finely crafted frame. The decoration on the top, consisting of a checkered background, small flowers, and garlands in relief, lends the piece a great deal of refinement. The sides are also entirely adorned with plant motifs and scrollwork. The interior is lined with antique green velvet. Dimensions: 15 × 12 × 4 cm
