Description

A beautiful 925 silver ring featuring a large honey-orange cabochon, likely natural amber. The striking stone measures approximately 2.5 x 1.5 cm and is about 1 cm thick; it displays lovely transparency, warm hues, and internal irregularities characteristic of amber. The silver setting is highly decorative, featuring botanical motifs and fluid lines that evoke the Art Nouveau aesthetic. The silver gracefully embraces and frames the cabochon, lending the ring a highly sculptural quality. Hallmarked "925" with a maker's mark on the inside of the band. Likely of french (minerve) origin, in the Art Nouveau style, dating to the second half of the 20th century. Total height: 3.5 cm.Stone: approx. 2.5 x 1.5 cmStone thickness: approx. 1 cmSilver: 925/1000. Condition: good overall condition,
