Description

This superb "Famille Rose" vase dates from the late 19th century. It is decorated with four court scenes as well as two motifs depicting a long-tailed bird surrounded by foliage, flowers, and butterflies. It features two handles in the shape of gilded lions in relief and four gilded dragons in relief. The overall condition is very good, except for a small, barely visible chip (1.5 cm) on the neck, as shown in the photographs. It measures 36 cm in height and 20 cm at its widest point.
