

Large Golden Metal Virgin Crown Decorated With Stars And Flowers - 19th Century, Church

300 EUR

Period : 19th century

Condition : Très bon état

Material : Metal

Description

Antique, large Virgin Mary crown made of gilded metal. A 19th-century piece. Circular in shape, it features a richly openwork design composed of stylized plant and floral motifs rising in volutes, punctuated by numerous stars. The piece is embellished with cabochons and colorless faceted glass stones that add delicate flashes of light to the composition. It retains a beautiful antique patina, with small irregularities and signs of wear. Dimensions: base diameter 16 cm - height 12.4 cm.
