cm. Material: Pine wood . This striking,

sculptural French folding screen stands out for its

radial, fan-like arrangement of slender wooden

slats that open and fold with elegance. It lends a

bold, graphic presence to a space while serving as

a versatile room divider. Resting on a solid wood

base, it combines architectural form with refined

craftsmanship. This sculptural screen exemplifies

the era's French design focus on functional

objects conceived as kinetic works of art. It is

ideal for contemporary interiors, lofts, or art

galleries seeking a balance between aesthetics

and functionality.
