Description

Galerie Georgette Art Nouveau offers a rare Art Nouveau-era bedroom set designed by Jacob and Josef Kohn, cabinetmakers in Vienna. This bedroom set includes a 140 cm curved-wood bed, two nightstands, a dresser with a mirror and a built-in closet, a chest of drawers, and a small desk. The set is in used condition and exudes a charm that transports you back to 1900s Vienna. The wood is varnished and fairly dark; the trim features embossed leather with oriental motifs; and the marble tops on the dresser and nightstands are orange in color. This is a very rare bedroom set, signed and typical of the Art Nouveau style. In the photos, you can see this bedroom set set within a room wallpapered with William Morris Art Nouveau wallpaper.
