Description

ABE is a studio founded in 1955 by Agnès Bonnet and François Escalas. Their pieces are largely inspired by the animal kingdom. Here we have one of Agnès Bonnet's earliest creations. The signature is not yet ABE, but "Agnès Bonnet E". A highly stylized rooster-shaped pitcher in the spirit of the 1960s. In very good condition, with a tiny chip on the base. A beautiful collector's item.
