

Two Cherry Wood Tables

280 EUR

Period : 20th century

Condition : Bon état

Material : Other

Length : 33.5

Width : 28.5

Height : 75

Description

Two side tables or nightstands made of cherry wood and cherry wood veneer, in the Louis XVI style, featuring a drawer with a brass knob that opens along the bottom edge. The four legs are connected by a shelf. Very similar but not a matching pair. Space between the drawer and the crossbar: 45 cm
