Period : 20th century

Condition : Très bon état

Material : Metal

Diameter : 80 cm

Height : 62 cm

Description

A Dutch-style chandelier with six arms. The electrical system was recently updated by the previous owners, so it works perfectly. Faithfully inspired by an 18th-century model, it bears a "D" hallmark, the meaning of which we have been unable to determine. Without more specific information, we cautiously date it to the early 20th century. We can arrange shipping to mainland France with insurance for EUR150.
