

18k White And Yellow Gold Ring With Diamonds

1 200 EUR

Period : 20th century

Condition : Bon état

Material : Gold

Description

A ring in 750 (18-karat) yellow and white gold, featuring a sleek, horseshoe-shaped band adorned with white gold arches set with diamonds. The raised lines of the yellow gold give the ring remarkable structure and strength, while the pavé-set diamonds in the white gold arches create a subtle play of light, elegantly contrasting with the warm hue of the gold. The ring is hallmarked by the Lithuanian Assay Office.
